A New Beginning

It's that time of the year again. A time of new promises for how we will improve our lives and resolutions to help us achieve our goals.

We have resolutions too... resolutions that we hope will improve our lives, the lives of our employees and, most importantly, our valued clients.

Recognizing that we would like to offer better customer service, we have decided to

begin this newsletter. Each month we will keep you posted on what's happening at SRFS, offer mailing tips, keep you in the loop on important dates and, in general, offer up some humor and good ole' fashioned neighborliness.

We want to be in touch with you and make sure we are offering the best service we can. Not only that, we want you to know us and feel like you are part of our SRFS family.

We want to hear from you...

We want feedback on our new website and this newsletter. Email, call or mail us your comments, questions of concerns. We would love to hear from you!

Wishing you and your family a Happy New Year.

Your friends,

SRFS & Rio Rancho Mailing

A New Addition

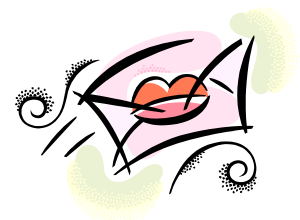

L. Michele Romero, our new Marketing & Sales Director, has been added to our field of experts.

Coming to us with 20+ years experience in marketing and sales, we feel fortunate that she is joining us. Not only

will she be helping us with our marketing goals but she wants to help you, too! She has great ideas for design assistance on your mailer and can offer tips about how to track the success of your piece.

In these hard economic times we care about you and making sure that you profit from your marketing campaign. Feel free to call her at anytime. Just ask for L!

Valentine's Day is just around the corner. Are you thinking of sending a special mailer? Contact us now so we can make sure to have your piece mailed on time. Deadline for Valentine Mailings is January 30.
